Dear Jose,

Like explained by phone before we plan to go to the wind tunnel in Geneve to work with the rider to optimize his position on the bike.

For David Muñoz we booked Tuesday 28<sup>th</sup> of February in the afternoon.

If it's ok for you can you organize to get him there on the same day (Tuesday) in the morning and return the day after on Wednesday morning?

As mentioned David should bring along all his equipment (leathers, boots, helmets, gloves, etc.) to find the best combination.

Following hotel recommendation: [ibis Geneva Petit Lancy Hotel](#) | [ALL - Accor Hotels](#)

(KTM staff is staying there as well)

Addresse of the wind tunnel:

**hepia - cmefe**  
**7, Route du Pont-Butin**  
**CH 1213 Petit-Lancy**  
**Genève / Suisse**

Just ~ 10min distance from the airport

Please confirm!

Regards,  
Christian
